

WHO WE ARE

Penobscot Fly Fishers, an affiliate of the Federation of Fly Fishers, was founded in 1997 by a small group of Maine fly fishers concerned that a family oriented fly fishing organization was needed in the Bangor, Maine region. Penobscot Fly Fishers is a non-profit educational organization, that promotes outdoor and conservation issues of interest to those who enjoy recreation in the magnificent State of Maine. To that end, our monthly meetings include experts discussing a broad array of topics, such as salmon fisheries, shad fishing, classic wet flies, bear management, GPS/navigation, Penobscot River restoration, and fly rod building, just to name a few. Our speakers have included state biologists, licensed outfitters and Maine Guides, radio and print personalities, Maine State Game Wardens and others. **Penobscot Fly Fishers' monthly meetings are open to the general public, and everyone is encouraged to attend. Please view our electronic newsletter and calendar of events at www.penobscotflyfishers.com or email us at info@penobscotflyfishers.com.**

WHAT WE DO

PFF provides education and instruction for adults, children and families in:

- Fly Tying
- Fly Fishing
- Fly Casting
- Equipment
- Conservation

Penobscot Fly Fishers, in its ever-expanding role as a leader and proponent of education, hosts an annual fly fishing symposium with some of the most highly respected and skilled fly tiers. Past symposiums have attracted tiers from Maine and Canada, including Warren Duncan, Ed “Muzzy” Muzeroll, Selene Dumaine, and Ron Newcomb to name a few. Recently, PFF has embarked on an expansion of the Fly Fishing Symposium, which has incorporated our program with a mid-winter program formerly hosted by Old Town Canoe. The expanded 2-day “Cabin Fever Reliever”

symposium incorporates a wide variety of topics, ranging from manufacturers of snowshoes, nets, pack baskets, graphite and bamboo fly rods. A long list of educational and conservation organizations have also joined forces with the Penobscot Fly Fishers to augment and broaden the interest and variety of topics.

As previously mentioned, our monthly meetings primarily focus on educational and informational speakers. Meeting nights also allow good-hearted discussions on fishing trips, fish stories and hot spots to cast a fly. We encourage you to join us for a fun and informative evening.

WHY JOIN PFF?

If you want to learn about or share your knowledge of fly fishing, please consider joining PFF. If you like helping others, especially instructing our youth to tie flies, cast flies or learn about this sport, then this is the club for you. If you want to be part of a group of men, women and children who enjoy the outdoors and each other's company, then by all means, join us. If giving back what you've learned while at the same time learning from others - then we are what you have been looking for in a club. If the reward that comes from the joy of someone learning to tie their first fly, or making their first cast means something to you, then by all means, join us. Finally, we offer you the opportunity to talk with and develop life long friendships with like-minded individuals. Yes, we instruct, we teach, we explain, we learn and we listen; but in addition to this, we fish!

Please consider joining our "family".
