

Penobscot Fly Fishers NEWSLETTER

October 2010

The speaker for the meeting is Randy McEwen, owner of Central Maine Navigation. He is THE GPS guy.

President's Notes

Hey guys and gals, another fishing season has come and gone (well almost gone) I hope you all got lots of time on the water.

First I would like to commend the Activities/Events Committee on a great job putting together lots of fun things to do this season. I also know they have planned some really good activities for the winter and the meetings are going to be great, Good speakers and other things are in the works.

Speaking of meetings DO NOT MISS this upcoming meeting .Randy McEwen, the GPS guy, is very interesting and anyone who has taken any of his classes or heard him speak will confirm that. I have attended his class and he knows his stuff on how not to get lost and how to find THAT SPOT again.

The Board of Directors meeting is now being held at KEV-LAN Restaurant on Outer Broadway in Bangor. The meeting times are still the 3rd Wednesday of the month at 6PM. All club members are welcome to join the board meetings, Please come you may find the operation of club details interesting.

See you Guys on Wednesday Come participate
REMEMBER IT'S YOUR CLUB!!!

Fly Tying Expo November 21, 2010 Sunday

Mark your calendars, it's official. The 2010 version of the Fly Tying Expo (Fly Tying Symposium) will be held from 9 am to 4 pm on Sunday, November 21, 2010 at the world famous Brewer Auditorium. This year's event hopes to be bigger and better than ever. More information will be available in the next week. An email will go out to club members (and will be posted on the club site) when the new website is up and running. For more information contact Don Corey at don@annikarodandfly.com.

Penobscot Rodmakers Gathering October 8 - 9, 2010 Friday/Saturday

Bob Milardo is organizing a gathering of cane rodmakers for Friday Oct 8 and Saturday October 9 at the Eddington Salmon Club. All are welcome. On Friday we serve up a dinner and follow with lots of rods to view and a film. The program starts at 8 am on Saturday and goes all day with lunch and dinner served. There will be quite a few experienced rodmakers from throughout the region and an especially interesting collection of Kosmic rods made at the turn of the century in Brewer. For more information or a registration form contact Bob Milardo at rhd360@maine.edu.
